

## Space/Gulf Coast Chapter Winter 2019 Newsletter

---

### **PRESIDENT'S MESSAGE:**

On behalf of the Space/Gulf Coast Board of Directors, we hope everyone had an enjoyable Holiday Season with family and friends and wish everyone a healthy and prosperous New Year.

Please try to take advantage of your BetterInvesting membership and attend all of the BI classes: Using the SSG, Take Stock, 1st Cut, etc.. Every class is recorded for your convenience, in case your schedule doesn't allow you to attend the live class.

The Space/Gulf Coast Chapter will be hosting an Investors Education Day on March 2nd, 2019 at Eckerd College in St Petersburg with Doug Gerlach from ICLUB Central as our guest speaker. It should be an exciting day as we get to mingle with like-minded folks and hopefully pick up some great investing ideas. Full details of the IED are elsewhere in this newsletter and of course on our chapter's [webpage](#) on the BI website. Hope to see you there.

*Phil Crocker, President*

### **MARK YOUR CALENDARS!**

**February 7-10 2019** - MoneyShow in Orlando - Omni Orlando Resort, ChampionsGate - Ken Peters will be giving the following presentation:

#### **The Value of Value Line**

Friday, Feb. 8th | 9:30 – 10:30

Saturday, Feb. 9th | 11:45 – 12:45

This presentation will touch on the Dark Ages prior to the internet and how we entered and plotted data. While archaic compared with the instant data of today, there were significant advantages in feeling the data. The improvements in acquiring the Value Line reports has also gained since the internet. Today's methodology will be demonstrated along with the hidden gems of information long overlooked in the reports.

**More on the Money Show:** In addition to Ken's presentations, Kamie Zaracki (BI CEO) and Doug Gerlach (ICLUB President) will be giving several presentations during the show, and there will be a BI booth staffed partially by our Chapter members. Check the Money Show website for schedule details:
