

# GREATER TULSA AREA CHAPTER

## (GTAC)

### SPRING 2019

GTAC NEWS is the news letter for the Greater Tulsa Area Chapter of Better Investing. Our Chapter Mission is to provide club members with quality investing education & mentoring. We help develop successful future investors.

*By Judy Logan*

We started off the Spring with Smart Money Week "Investing for Beginners" on March 30, 2019, followed by an April 6 presentation of "Investment Tools with Training Wheels" Both events were a great success and the Wheels event was booked to capacity. The interest was so great that we added a free "Follow up to Wheels" event at our May 16 GTAC meeting. We also honored local club Money Rakers and Bartlesville club Seekers with 25 and 20 year certificates through our "Visit-A-Club" program.
