

The Monmouth Area Investment Clubs along with
Heart of Illinois Chapter of BetterInvesting

and Warren County Public Library will present a free educational session with

Allen Holdsworth

Retired broker/financial planner and teacher for BetterInvesting National Conventions

Saturday, October 20, 2018
9:00 a.m. – Noon

Warren County Public Library
62 Public Square, Monmouth, IL 61462

This presentation will help your knowledge of “Understanding and Using PE Ratios” as Allen helps us learn about this important part of judgment when selecting stocks in which to invest. There will be plenty of time for questions, too.

After break time, Allen will be on hand to discuss the portfolios provided by the investment clubs represented at this event. It’s always a fun time to share our success and failures as we build a portfolio that hopefully will return 100% over a five-year period. Just observe and learn from this interaction, or please
