

## **Customized SSG I & II Classes on the Road**

KC NAIC Offers Special Services

### **Bringing Education Directly To Your Club - Customized SSG Sessions:**

Special Stock Selection Guide I & II programs for investment clubs that request them. The club must secure the location and work out a mutually agreed date for a session with a KC Chapter director, who will teach the front and back of the SSG using the Toolkit 5 program.

The cost is \$20 a person with a minimum of 10 and a maximum of 20. The session will take about 5-6 hours. Handouts will be provided. To schedule a session, send an email to one of the contacts on this web site, to [kc-area-naic-chat@lists.better-investing.org](mailto:kc-area-naic-chat@lists.better-investing.org), or call one of the KC Chapter Directors listed in the KC Newsletter

If you have a different class that you would like to have one of the directors present, send a request to one of the KC Chapter contacts. Work out a topic and time. It may take some time to put a class together but we will attempt to satisfy your needs.

Prerequisite: We suggest that you have some basic knowledge about investing and the SSG. Preferably, you will have taken the Basic Investing Class.
