

Newsletter

Non-Profit * Volunteer Based * Member Driven

Winter 2017 Edition

The Space/Gulf Coast newsletter is now being published as a web-based document that is accessible from any computer, tablet or smartphone using any web browser. This universal access, any platform, any time ability for our members to find out what's going on in their Chapter and the *BetterInvesting* world is a valuable new capability that this "plugged in" Chapter is pioneering in the BI world.

Contributions to the newsletter from our BI membership is very much encouraged and welcome. Send your ideas for articles (or the article itself) to BISCC.BOD@gmail.com so that the Editor may include it in the upcoming edition of the newsletter.

To read the Winter 2017 Edition of the newsletter, just
