2. Online Data Services:

BetterInvesting Online Tools ICLUBCentral

3. Club Accounting:

MyI CLUB.com

Bivio

Other

Do any of your members use Macs?

Club Visits Policy

A club visit is provided to put on a short class for the club, get new ideas, find out what's available through the chapter and BetterInvesting, or assist a club in resolving any problems they may be having,

A Chapter Board member will visit your club (or prospective club) to discuss programs, financial goals, BetterInvesting and resources, provide general guidance, answer questions or focus on other topics of your choice. Typically, club visits last approximately 45 minutes.

Each club is entitled to one visit per year at no charge.

New clubs, particularly those in the formative stages, are especially encouraged to take advantage of a club visit and may be granted more than one each year.

Complete this Club Visitation Request Form and send it to the Chapter via email.
